Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Further to the Information Disclosure Statement filed June 27, 2005, the Examiner is respectfully requested to consider additional references, which may qualify as prior art. For the Examiner's Convenience, the references are listed on the attached Patent and Trademark Office Form PTO-1449.

In accordance with 37 CFR 1.97(e)(1), Applicants state that the items provided herewith were cited by the U.S. Receiving Office as International Searching Authority under the Patent Cooperation Treaty, in the PCT counterpart of the present application and that the International Search Report was issued by the ISA/US less than three months prior to the filing of this Supplemental Information Disclosure Statement.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute. No representation is made that applicants know of the best art.

It is believed that this submission does not require the payment of any fees. If this is incorrect, however, please deduct the appropriate fee from deposit account 07-1969.

Respectfully submitted,
